Subject: EASA.21G.0046 – Application for significant change or variation of scope and terms of Part 21 POA: Addition of composite and related assemblies in the scope of the approval, addition of a new approved location (VT Volant), addition of a new nominated person Mr. Tom Thompson as Head Production Volant and use of digital signature

Reference: EASA Form 51, dated 04/06/2018 and updated 17/08/2018

Attachment: EASA Form 4 Thomas Thompson

Dear Sir,

Further to the above referred EASA Form 51, I am pleased to inform you of the approval by the European Aviation Safety Agency of corresponding significant change to your production organisation, following a positive evaluation and recommendation from EASA team.

I confirm the acceptance of the latest exposition amendment: EASA POE Draft Issue G Amdt 0.

Yours sincerely,

Jiří NOVÝ
